2. CHAIR'S REMARKS

Chair Lieber thanked those participating in the meeting.

Chair Lieber reported that the MTA and the Long Island Rail Road (LIRR) reached a labor agreement that enabled the restoration of full LIRR service. He thanked Governor Hochul for leadership throughout the negotiations and recognized MTA staff, labor relations personnel, and employees across the agency who supported the negotiation process and implemented temporary transportation alternatives during the service disruption. He also acknowledged LIRR customers who experienced uncertainty and inconvenience during the labor disruption.

Chair Lieber discussed the recent electrical fire at Penn Station that temporarily affected rail operations and noted the importance of Grand Central Madison in maintaining service continuity during the incident.

Chair Lieber provided an update on federal funding matters, including the receipt of COVID-related reimbursements, progress on federal funding for the Second Avenue Subway Phase 2 project, and the release of previously delayed federal accessibility grant funding. He thanked federal partners, including Senator Gillibrand, for their support.

Chair Lieber highlighted recent accessibility milestones, including the opening of a new accessible ramp at Harlem–148 Street Station and the announcement of a public-private partnership with Columbia University to make the 116 Street–Columbia University station accessible.

Chair Lieber also discussed ongoing bus service improvements, including the expansion of Automated Camera Enforcement (ACE) technology and continued collaboration between the MTA and New York City Department of Transportation on initiatives to improve bus service and reliability throughout the city.

3. JOINT LONG ISLAND RAILROAD AND METRO-NORTH RAILROAD COMMITTEE

a. Long Island Rail Road

Long Island Rail Road President Rob Free thanked Governor Hochul, Chair Lieber, MTA leadership, labor representatives, and LIRR employees for their efforts to restore service following the recent work stoppage. He noted that service was restored in phases, with full

service resuming approximately 16 hours after employees returned to work. He also recognized employees who continued working throughout the stoppage to maintain the safety and readiness of the railroad.

Mr. Free provided an update on the May 14 electrical fire in an East River Tunnel that temporarily disrupted service into and out of Penn Station. He reported that service was diverted to Grand Central Madison and Atlantic Terminal, no trains were stranded, and the incident highlighted the operational flexibility and redundancy provided by Grand Central Madison.

Other topics Mr. Free discussed included monthly performance metrics, including ridership and on-time performance; expanded summer service to the East End; preparations for the U.S. Open at Shinnecock Hills; and ongoing station improvements through the Station Spruce Up Program, including recent work at Kew Gardens Station.

Chair Lieber then recognized Board Member Christopher M. Leathers for remarks.

Board Member Leathers recognized the professionalism, sacrifice, and commitment of SMART members and other railroad employees during the recent work stoppage. He stated that employees worked to support the resumption of service and emphasized the role union employees played in restoring railroad operations. Board Member Leathers further stated that many employees faced criticism and public scrutiny during the labor dispute despite not being responsible for it, while continuing to fulfill their professional responsibilities and uphold principles of labor solidarity.

Following the remarks, General Counsel Paige Graves confirmed that a quorum of Board members remained present. Chair Lieber then called upon Metro-North Railroad President Justin Vonashek to continue the agency presentations.

b. Metro-North Railroad

Metro-North President Justin Vonashek (“President Vonashek”) stated that April on-time-performance reached 98.1 percent, with year-to-date on-time-performance at 96.8 percent. Ridership for April totaled 6.4 million rides, 86.2 percent of April 2019 levels, a 3.6 percent increase from March, and a 6.2 percent increase over April of the previous year. Weekend discretionary ridership remained strong, 14% higher than March and 10% higher than April 2025, and on May 19 Metro-North achieved its highest single-day ridership since the pandemic at 260,000 riders.

President Vonashek reported that the rolling 12-month reportable customer injury rate improved to 1.41 per 1 million customers, down from 1.44 versus the previous month and 1.50 versus the previous 12-month rolling period. The rolling 12-month employee lost time injury rate was 1.95 per 200,000 working hours, down from 1.98.

President Vonashek reported that on May 1 he joined Connecticut Governor Ned Lamont, U.S. Senator Richard Blumenthal, U.S. Representative Rosa DeLauro, CT DOT Commissioner Garrett Eucalitto, and several local elected officials at the Derby-Shelton Station to announce the start of construction on four Waterbury Branch stations: Derby-Shelton, Ansonia, Beacon Falls, and Seymour. He noted that since 2019, ridership on the Waterbury Line has grown dramatically, with each station reaching nearly 150 percent of pre-pandemic levels and Derby-Shelton exceeding 200 percent. The upgrades will significantly transform the stations, including installation of new 350-foot platforms to allow full train boarding, along with covered canopies, enclosed wind screens, real-time arrival information, ticket vending machines, improved lighting, and clear wayfinding signage. All stations will be fully ADA accessible with enhanced pedestrian access and improved passenger flow. President Vonashek also reported that, to accommodate the construction work, Waterbury Branch train service will be replaced by bus service beginning July 20 and continuing for approximately ten months. Riders are advised to check the TrainTime app and mta.info for updated service information.

4. NEW YORK CITY TRANSIT COMMITTEE

Demetrius Crichlow, President, NYCT, delivered the President's Report.

President Crichlow commended the dedicated efforts of employees who worked behind the scenes to maintain service during the LIRR strike. He highlighted NYCT's analysis of operational data, which enabled teams to identify optimal connection points for riders and deploy shuttle buses in key Queens locations. He noted that extra staff and paratransit services helped ensure that a complex operation was successfully established in a short timeframe.

President Crichlow reported that Paratransit set a new monthly record in March, completing over one million trips. He noted that Paratransit achieved an all-time high of 40,000 average completed weekday trips in April. President Crichlow reported that in 2026, there were 12 days with 50,000 scheduled trips, including a new record of 51,610 scheduled trips on Tuesday, May 5th. He said that current ridership levels are nearly 50% above pre-COVID peaks, reflecting increased confidence and reliance by riders. He commended the work of the Paratransit team.

President Crichlow reminded New Yorkers that public transit remains the best way to reach the beach on Memorial Day Weekend, including using the Rockaway Shuttle, the Q35 to Jacob Riis, and Bx12 to Orchard Beach. He also noted ongoing upgrades at Beach 105th Station and discussed the extensive preparations required for seasonal service enhancements.

President Crichlow spoke about preparing for the challenges of summer. He stated that NYCT would be increasing the ability to fight flooding in tunnels by adding two new pump trains and continuing to rehab power Substations to ensure reliable power during high heat.

President Crichlow described the agency's efforts to keep bus riders cool and comfortable during hot weather, highlighting systemwide improvements to maintenance practices like an enhanced quality control policy. He noted that, in response to customer feedback, Staten Island received particular focus: teams conducted winter A/C unit inspections and, beginning in June 2025, implemented strengthened preventative maintenance measures, realigned the fleet, increased accountability and advanced targeted seasonal preparation initiatives.

President Crichlow spoke about the service enhancements introduced in January to improve reliability for the 1.2 million daily riders on the 2, 3, 4, and 5 lines. He noted that these improvements will deliver more consistent service for riders, aligning schedules more closely with ridership patterns, improving reliability and providing more even headways. He said that these adjustments reflect NYCT's ongoing use of detailed ridership and operational data to optimize service.

President Crichlow reported on subway performance metrics for April, highlighting gains in both weekday and weekend on-time performance and improvements in weekday customer journey time. He noted that overall performance had returned to levels last seen in the fourth quarter of 2025. He specifically highlighted the A line as one of the best performing and most improved lines, achieving 87.9 percentage points following the implementation of a more precise, data driven schedule last fall. He said that despite extensive weekend capital and construction work—which requires complex service changes—the system continues to deliver strong weekend on-time performance.

President Crichlow reported on Paratransit performance metrics, noting that April weekday 30 minute on-time pickup performance was 95.4%, up from 93.2% from last month, with weekend performance holding steady at 96.3%. He reminded riders that the Bus Time website has been updated to include features such as saved favorites and route customization options. President Crichlow talked about the Paratransit ridership trends and expressed pride in maintaining performance reliability as ridership continues to grow.

President Crichlow delivered the April ridership report, noting a modest year-over-year increase in paid ridership. He reported that average weekday subway ridership reached 4.16 million and that in May, the system achieved a post-pandemic milestone: for the first time, all three midday weeks surpassed 4.5 million riders. President Crichlow reported that weekend ridership also continued to show strong growth, reaching 2.9 million. He stated that on the bus system, weekday paid ridership totaled 1.33 million and Paratransit ridership likewise continued its post-pandemic climb.

i. **NYCT Procurement:**

Upon a motion duly made and seconded, the Board approved the following procurements:

- I. Expedited Change Order Procedure for the R268 Train Procurement The first procurement item requested Board authorization to use the expedited change order procedure developed pursuant to the All-Agency Contract Procurement Guidelines for all change orders under the R34268 Train Procurement with Kawasaki Rail Car, Inc.
- II. Clean Diesel Bus Procurement The second procurement item requested Board authorization of a contract award for the purchase of 92 over-the-road express clean diesel buses as well as related items such as spare parts, special tools and equipment, technical documentation and training, in the total estimated amount of \$120,821,133.

Refer to the staff summaries and documentation filed with the records of this meeting, and the video recording of the meeting, produced by the MTA and maintained in MTA records for details on the approved items.

ii. **Safety and Security Report:**

Steven Mauriello, Deputy Chief, Transit, NYPD, delivered the Safety and Security Report.

Deputy Chief Mauriello reported that there were 176 crimes last month, representing a 2.9% increase compared to the previous April. He said the increase was attributed primarily to a rise in grand larcenies and to a lesser extent felony assaults. He reported that overall crime levels remain approximately even with last year, which were at a historic low. Deputy Chief Mauriello emphasized the Transit Bureau's ongoing commitment to the safety and security of the system and noted that crime-reduction strategies will continue to be adjusted as needed.

Deputy Chief Mauriello highlighted the work of the Transit Bureau's Six-Wire Teams. He stated that the Transit Bureau has dedicated personnel to monitor 311 calls and MTA cameras associated with the six wires in order to identify live incidents in the field and dispatch resources more efficiently. He said that prior to this initiative, such calls were received and triaged centrally, a process that often required significant time. Deputy Chief Mauriello reported that over the past year, this dedicated monitoring has resulted in faster officer response and improved outcomes, including an approximately eight-minute reduction in response times to quality-of-life incidents. He emphasized that this improvement benefits both employees and riders.

5. TRIBOROUGH BRIDGE AND TUNNEL AUTHORITY COMMITTEE

Cathy Sheridan, President, TBTA, delivered the President's Report.

In 2025, the Hugh L. Carey Tunnel was designated as a Civil Engineering Landmark by the American Society of Civil Engineers (ASCE). In culmination of the 75th anniversary of the tunnel, officials from ASCE joined TBTA and MTA C&D recently for the official dedication of the landmark plaque at the Manhattan ventilation building.

Installed in 2017 as part of TBTA's long-term flood mitigation program, annual flood door testing at the Hugh L. Carey and Queens Midtown Tunnels started in April and continues through May during overnight low-volume traffic periods.

On May 7th at Grand Central Terminal's Vanderbilt Hall, TBTA leadership presented its annual Employee Recognition Awards for exemplary service. And in April, TBTA was one of 16 recipients nationwide of the Engineering Excellence Honor Award from the American Council of Engineering Companies for the Central Business District Tolling Program, which brings the total number of awards thus far to eight.

TBTA welcomed a new class of 40 Level One Maintainers who graduated on May 8th having completed a multi-disciplinary training regimen that includes safety protocols in roadway and electrical work; commercial vehicle driving; OSHA-30 hour training; forklift operations; firefighting, wrecker and aerial truck safety; incident command; and administrative duties.

TBTA recently marked the national observance of Police Week and Peace Officer Memorial Day by gathering at the Hugh L. Carey Tunnel to remember fallen officers and honor current Members of Service.

President Sheridan stated there are no procurements.

Responding to Commissioner Glucksman's question as to whether there was an increase in bridge traffic during the LIRR strike, President Sheridan stated that there was an insignificant increase at the Queens-Midtown Tunnel from the same time period of the prior week.

6. CAPITAL PROGRAM COMMITTEE

CPC Work Plan

There were no changes to the work plan.

President's Report

Jamie Torres-Springer, President, MTA Construction & Development (C&D) began by highlighting recent intensive construction activity on the Flushing Line in Queens, including a major weekend outage during which 30 crews and 13 work trains were deployed simultaneously. Mr. Torres-Springer emphasized that the work represents a coordinated effort to address long-standing infrastructure needs on one of the system's busiest lines. The project includes the reconstruction of six century-old, elevated stations suffering from significant structural deterioration while simultaneously advancing accessibility improvements at two additional stations. He noted that the MTA's coordinated approach allows multiple projects to be completed during the same service outage, avoiding the need for future disruptions that would have been required under previous project delivery practices. He also reported that New York City Transit forces took advantage of the outage to complete substantial track work in Manhattan.

Mr. Torres-Springer briefly referenced the recently announced accessibility improvements at the 148th Street station, noting that the project's ramp-based design would improve accessibility while avoiding the reliability issues associated with elevators. He stated that the approach generated approximately \$37 million in savings, which can now be redirected toward accessibility improvements at other stations. He further reported that the station platform is

currently in poor condition and that interim measures are being implemented to maintain safety while a broader platform rehabilitation project is advanced in conjunction with the accessibility work.

Turning to Mets-Willets Point, Mr. Torres-Springer advised the Board that a forthcoming action item would authorize funding for station improvement design work to be undertaken by Queens Future, the developer of the proposed gaming facility at the site. He reminded members that the developer has committed to making the Mets-Willets Point 7 Line station fully ADA accessible as part of its development proposal. In addition to accessibility improvements, the MTA is coordinating state-of-good-repair work at the station to ensure that future rehabilitation needs are addressed concurrently, thereby avoiding additional disruptions after accessibility work is completed. He explained that the design funding action represents the first step toward implementing those coordinated improvements.

Mr. Torres-Springer then highlighted recent investments benefiting LIRR riders. He noted that Grand Central Madison, which opened in 2023, has quickly become the destination for more than 40 percent of weekday Long Island Rail Road (LIRR) commuters. He observed that the facility proved particularly valuable during recent service disruptions affecting Penn Station, allowing riders to continue traveling into Manhattan despite the outage. He also cited the completion of the new 33rd Street Concourse at Penn Station, which doubled both the width and height of the passenger circulation space and established a model for delivering meaningful customer improvements while minimizing service disruptions. Additional accomplishments included completion of the LIRR Third Track project on time and on budget, enabling a 40 percent increase in service, as well as the completion of twelve ADA accessibility projects across the railroad since 2020. He also referenced ongoing investments to improve capacity through Jamaica Station and broader state-of-good-repair initiatives.

Mr. Torres-Springer reported that full reopening of the twelve-car platforms at Babylon Station had been achieved ahead of the summer travel season. The rehabilitation of the 62-year-old station was strategically phased to rebuild half of the platform during each winter construction season, allowing the work to be completed ahead of schedule and without significant impacts to peak summer ridership. Looking ahead, he noted that the 2025-2029 Capital Plan includes approximately \$6 billion in LIRR investments, including new railcars, bridge and viaduct rehabilitation projects, and additional state-of-good-repair initiatives. He also highlighted the Governor's commitment of \$50 million to support improvements at Jamaica Station, noting that outreach efforts have begun to gather customer feedback regarding station redesign concepts, including improvements to signage, wayfinding, vertical circulation, and connections among the LIRR, AirTrain, and subway services.

During Board discussion, Board Member Mihaltses sought clarification regarding the Mets-Willets Point station project and asked whether the action before the Board pertained only to the 7 Line station or also included the LIRR station. Mr. Torres-Springer confirmed that the current action addressed only the 7 Line station. In response to a follow-up question regarding accessibility improvements at the LIRR station, he stated that while the railroad maintains an ADA accessibility program, sufficient funding is not currently available to fully advance accessibility improvements at that location, although future partnership opportunities may emerge.

Board Member Zuckerman raised concerns regarding the condition of the pedestrian overpass, commonly known as the Passerelle, connecting the Mets-Willets Point station area to Flushing Meadows-Corona Park. Noting the large number of visitors who use the structure during events such as the Queens 10K, he asked if the ongoing station improvements would address the condition of the bridge. Chair Lieber clarified that the structure is not owned by the MTA. Mr. Torres-Springer explained that the Passerelle is owned and maintained by New York City and that discussions have begun with City Hall regarding its future reconstruction. He noted that the structure is functionally important because it connects Roosevelt Avenue, Citi Field, Flushing Meadows-Corona Park, and the LIRR station, and that it also contains MTA infrastructure, including critical utility cables. While acknowledging that funding constraints make it difficult to address every need simultaneously, he stated that the MTA is working closely with City Hall and remains open to pursuing coordinated improvements as opportunities arise.

Concluding the discussion, Chair Lieber referenced the recently completed Penn Station concourse improvements and noted that the facility's programmable lighting system has been used to support various civic and community initiatives. He noted that the concourse had recently been illuminated in orange and blue in support of the New York Knicks, joking that the team's success during that period might have benefited from some positive energy generated by the MTA's contribution.

Capital Procurement Actions

Evan Eisland, Executive Vice President and General Counsel, C&D, presented four procurement items and one action item to the Capital Program Committee. The procurement items are:

1. Award of a publicly advertised and competitively solicited contract with RCC/GCCOM A Joint Venture LLC (Contract No. 6532) for design-build services for the replacement of three bridges on Long Island Rail Road's Montauk Branch;

2. Ratification of a modification to a contract with In House Group, Inc. (Contract No 1000197600) for the replacement of additional sidewalk and the construction of additional retaining wall at Metro North's Hastings-on-Hudson station;
3. Ratification of a modification to a contract with Turner & Townsend, Inc. (Contract No. CS00017C) to continue to support the development of processes, policies, procedures and manuals for the delivery of the MTA's Capital Program through February 26, 2027; and,
4. Ratification of a modification to a contract with S&P Construction Management, Inc. (Contract No. RKC-2302) for various civil, mechanical and electrical work at the RFK Fleet Garage and to extend the Substantial Completion date by 12 months to April 22, 2027;

The action item is:

5. Approval to enter into a Design Agreement with Queens Future, LLC to provide for state of good repair inspection and design services at the Mets-Willets Point Station on the IRT Flushing Line.

Chair Lieber asked for clarification on the agreement with Queens Future and Mr. Eisland explained that Queens Future would be retaining the engineering firm STV to prepare a coordinated design that will include the ADA work and station improvements that Queens Future has agreed to perform as well as the additional state of good repair work that the MTA requires with each entity paying for its own part of the design. Mr. Torres-Springer then explained that the processes, policies, procedures and manuals addressed in the third procurement item will help C&D to better monitor and control budget, schedules, and risk.

Board Member Garodnick presented the Capital Program Procurement and Action items:

Board member Mihaltses recused herself from the third procurement item with Turner & Townsend, Inc. and from the action item.

Refer to the staff summaries and documentation filed with the records of this meeting for the details of these items, and refer to the video recording of the meeting, produced by the MTA and maintained in MTA records, for Board members' and C&D representatives' comments.

7. COMMITTEE ON FINANCE AND ANNUAL FMTAC MEETING

For details of the presentation given by Jai Patel, Chief Financial Officer, please refer to the video recording of the meeting produced by the MTA and maintained in MTA records available on the MTA website.

Ms. Patel presented the 2026 Annual Report for First Mutual Transportation Assurance Company (FMTAC), MTA's wholly owned pure captive insurance company.

Ms. Patel gave a brief overview of the preliminary April 2026 year-to-date financial performance. Ms. Patel reported that:

- MTA's operating results were very favorable to the adopted budget by approximately \$196 million.
- Operating revenue was modestly unfavorable by \$27 million.
- Operating expenses were essentially on budget through April, as it was slightly favorable by about \$26 million.
- Debt service expenses were favorable by \$11 million.
- Capital subsidies were favorable by \$111 million.

Ms. Patel presented two action items. The first was the annual investment report and investment guidelines. The second was the Long Island Railroad tariff change seeking Board approval to issue a prorated refund to Long Island Railroad May 2026 monthly customer ticket holders for each of the days that service was suspended due to the strike and temporarily wave the standard \$10 administrative fee.

Ms. Patel presented four information items, which were: the annual billings to local governments for station maintenance costs; the annual pension and retirement report; the financial statements for the fourth quarter of 2025; and information for New York City Transit on the R68 subway cars.

Chair Lieber commented on the refunds to the Long Island Railroad customers.

i. Procurement

Sergio Paneque, Chief Procurement Officer, presented one MTA Headquarters item: to award a competitively negotiated personal services contract to ABC Engineering of New York for independent engineering assessments of MTA railway highway grade crossings.

Refer to the staff summary and documentation filed with the records of this meeting for the details of this item, and refer to the video recording of the meeting, produced by the MTA and maintained in MTA records.

ii. Real Estate Actions

David Florio, Chief Real Estate Transactions and Operations Officer, presented three Real Estate action items.

The first was an Administrative item regarding Eminent Domain Procedure Law Determinations and Findings for the acquisition of property interests for the New York City Transit's Nostrand Avenue ADA Project in Brooklyn, NY.

The two other items were transactional items. The first was for New York City Transit, which was a lease with Mohamed Almerdaie for retail space at 1498 Sheepshead Bay Road in Brooklyn, NY. The second was for Metro North, which was for the acquisition of property from New York State Department of Transportation along Bruckner Boulevard in the Bronx, NY in support of the Penn Station Access Project.

Refer to the staff summary and documentation filed with the records of this meeting for the details of these items, and refer to the video recording of the meeting, produced by the MTA and maintained in MTA records.

8. CORPORATE GOVERNANCE COMMITTEE

- i. Review and Approval of the MTA All-Agency General Contract Procurement Guidelines and All-Agency Service Contract Procurement Guidelines

Mr. Kearsé informed the Committee that there is one action item, Section 2879 of the Public Authorities Law requires the Board to annually review and approve the MTA All-Agency General Contract Procurement Guidelines and All-Agency Service Contract Procurement Guidelines. Mr. Kearsé informed the Board that there are no recommended changes at this time.

- ii. Review of the MTA All-Agency Code of Ethics and Board Member Code of Ethics

Mr. Kearsé advised the Committee Public Authorities Law also requires that the Board annually reviews the Code of Ethics for Employees and Board Members to ensure that the MTA maintains the highest ethical standards. The Board Member Code of Ethics is celebrating its 20th anniversary which has been serving the MTA well for all those years. Mr. Kearsé advised the Committee that there were no recommended changes at this time to the MTA All-Agency or Board Member Code of Ethics.

- iii. Review and Approve Mission Statement, Measures and Performance Indicators Report

Mr. Kearsé advised the Committee that each year this Committee must review the MTA Mission Statement, Measures and Performance Report. Mr. Kearsé advised the Committee that the report

was reviewed by the Finance Committee back on March 23, 2026, therefore it does not need to be voted on at this time.

iv. Review of the MTA Whistleblower Policy

Mr. Kears advised the Committee that each year this Committee must review the MTA Whistleblower Policy. Mr. Kears advised the Committee that there were no recommended changes at this time.

v. Review and Approve MTA Policies in Connection with Provisions of Public Authorities Law

Mr. Kears informed the Committee that Public Authorities Law Section 2824 requires that the Board adopt certain policies. The Committee was advised that there are no policies requiring Board approval at this time.

9. AUDIT COMMITTEE

To see a summary of the meeting and the actions taken by the Audit Committee, please refer to the video recording of the meeting, produced by the MTA and maintained in MTA records available on the MTA website.

Jim McGovern, MTA Deputy Chief from the Comptroller's Office, briefed the committee on management's review of the 2025 MTA consolidated financial statements. He began noting that the MTA is comprised of 10 reporting entities, eight of which undergo separate audits and therefore have their own distinct materiality thresholds. The MTA's Consolidated Financial Statements, are prepared in conformity with Generally Accepted Accounting Principles in the United States (referred to as GAAP) using accounting standards established by the Government Accounting Standards Board (referred to as GASB) and includes six sections: MD&A (Managements' Discussion & Analysis), the basic financial statements, the notes to the financial statements, required supplementary information, supplementary information and additional supplementary information. The Notes to the Financial Statements include an additional note this year for compensated absences. McGovern reviewed new GASB accounting standards effective in 2025 and beyond, including GASB Statement No. 102 (Certain Risk Disclosures), which enhances financial reporting through disclosures of risks related to concentrations (lack of diversity in resource inflows and outflows) and constraints affecting financial operations (limitations imposed by external parties or internal governance). He noted that, for the MTA, a primary concentration risk is its reliance on New York State subsidies to fund operating expenses. McGovern referenced a slide summarizing the Consolidated Statement of Net Position, noting it provides a higher-level view than the audited financial statements. For 2025, the MTA reported \$130 billion in total assets and deferred outflows, \$102 billion in liabilities and deferred inflows, and a net position of \$28 billion. Compared with the prior year, cash and investments increased by \$6.6 billion, primarily due to bond proceeds related to real estate transfer trust and payroll mobility tax bonds, federal preventive maintenance grants, the CRZ loan, and the one-time casino license fee. Capital assets

increased due to continued investment across asset classes, while deferred outflows changes are mainly from actuarial assumption changes, particularly higher interest rate assumptions. On the liability side, long-term debt increased primarily due to the issuance of real estate transfer tax revenue bonds, PMT bonds, and subordinated bond anticipation notes (BANs) in 2025. OPEB liabilities decreased mainly due to updated actuarial assumptions, including higher interest rate assumptions. Net pension liabilities also declined, driven by actuarial valuation changes and gains in plan asset fair values. Deferred inflows of resources increased primarily due to \$0.3 billion from leases and \$0.3 billion related to pensions and OPEB resulting from actuarial assumption changes. McGovern then referenced two informational slides with bar charts showing assets and liabilities by agency, as well as the percentage distribution of capital assets and liabilities. With respect to the MTA's Income Statement for 2025, there is a reported operating deficit of \$11.6 billion. Subsidies and tax revenues increased, driven primarily by higher payroll mobility tax revenues, the one-time casino license fee, and increased federal preventive maintenance grant reimbursements. McGovern referenced a slide listing all the footnotes accompanying the financial statements and highlighted new Footnote 16, related to GASB Statement No. 102, previously discussed. He concluded by thanking his department, including Lisa Tan, for their contributions to financial reporting, as well as Deloitte for their technical support and strong working relationship. MTA Chief Financial Officer Jia Patel reminded the Board/Committee that certain revenue increases, including PMT bonds and casino license fees, were already incorporated into the budget. The additional PMT revenues support the capital budget for the \$68 billion capital program, while casino license fees were included in the financial plan but were received in December 2025 rather than 2026.

Kostas Makrakis, Managing Director, Deloitte, briefed (remotely) the Committee on the results of their review of the 2025 MTA Consolidated Year End Financial Statements. In his opening remarks, he stated that they have prepared the following comments to assist the Audit Committee in fulfilling their obligation to oversee the financial reporting and disclosure process for which management of the MTA and each of the seven agencies are responsible. It is the responsibility of Deloitte to express an opinion on whether the MTA's and each of its agency's financial statements and the supplementary information are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the U.S. Deloitte is currently in the process of finalizing the audit of the MTA's consolidated financial statements, as well as the stand-alone financial statements of its seven agencies, 2025 and they expect to issue its audit opinions within the next couple of weeks. The audits are conducted in accordance with generally accepted auditing practices in the United States and in accordance with auditing standards issued by the Government Accountability Office. During the year, the MTA adopted GASB 102, which requires certain risk disclosures. In addition, the TBTA standalone financial statements included new disclosures related to the Congestion Relief Tolling Program, providing greater transparency into the program's financial position, performance, and operational implementation. This segment disclosure information was subject to audit procedures. With respect to significant accounting estimates, the MTA financial statements include pensions and other post-employment benefits, as well as estimated liabilities arising from personal injury claims. No errors, uncorrected misstatements, or disclosure items passed were identified during the audits at either the MTA group or agency level. There were no disagreements with management, and Deloitte had unrestricted access to MTA senior management throughout the audits. Consistent with prior years, Deloitte will include an emphasis-of-matter paragraph in the audit opinion. This does not constitute

a qualification, and a clean audit opinion will still be issued. The paragraph is intended to draw users' attention to MTA's continued reliance on significant subsidies and material transactions with the City of New York, the State of New York, the State of Connecticut, and economically sensitive tax revenues. As of this date, Deloitte has not identified any material weaknesses or significant deficiencies in internal control over financial reporting. Management Letter comments are expected to be issued within 30 days following issuance of the audit opinion. The Single Audit Report is expected to be issued during the second week of July, and the National Transit Database agreed-upon procedures report is expected by the end of June. Lastly, Makrakis expressed appreciation to the MTA management team for its exceptional cooperation, transparency, and understanding throughout the audit of the nation's largest transportation authority.

Kostas Makrakis, Managing Director, briefed the Committee on Deloitte's review of the MTA's compliance with investment guidelines. Deloitte reported that nothing came to its attention indicating noncompliance with the MTA's investment guidelines, the New York State Comptroller's investment guidelines, or the New York State Public Authorities Law. The report is intended solely for the use of the Authority's Board of Directors and management, and the Office of the New York State Comptroller.

Lamond Kears, MTA Chief Compliance Officer, briefed the Committee on the quarterly status of open and past-due audit recommendations previously accepted by the agencies. Kears noted that open recommendations are being continuously monitored and that the responsible agencies and departments have been contacted regarding outstanding items. He further stated that no critical issues have been identified at this time.

Rafail Portnoy, Chief Technology Officer, updated the Board/Committee on recent MTA IT activities and accomplishments. He highlighted the department's transformation to an operational model that aligns technology resources directly with business units and operating agencies, improving the speed, reliability, and efficiency of solution delivery while reducing reliance on external consultants. He also noted that the department reduced its vacancy rate from approximately 15–18% to 5–6%, strengthening operational stability and internal expertise. Portnoy highlighted several recent initiatives, including the in-house development of the fare evasion enforcement program (E-Citation) in partnership with NYC Transit and the MTA Police Department; successful implementation of recent railroad fare changes and new vending machine technology in coordination with both railroads; rollout of new onboard ticket validation devices at Metro-North Railroad; and continued development of the new MTA Transit app using in-house resources at a lower cost and with faster delivery timelines. Chair Janno Lieber commended the IT department's work, particularly the modernization of fare enforcement technology, noting its operational benefits and positive impact on efficiency and customer service.

a vice chair designated by the board shall perform the duties of the Board Chair and when so acting, shall have all the powers of and be subject to all the restrictions upon the Board Chair. Such powers and duties shall terminate upon the appointment by the Governor of a successor Board Chair as provided by law or upon the cessation of the Board Chair's inability to act.

ARTICLE VI. CORPORATE SEAL

The board shall provide a corporate seal which shall be circular in form and shall have inscribed thereon the name of the Authority and the words "Corporate Seal".

ARTICLE VII. INDEMNIFICATION

The Authority shall save harmless and indemnify any person (or his or her estate) who shall have served as a member, officer or employee of the Authority or of a subsidiary of the Authority against financial loss, including punitive damages, or litigation expense incurred in connection with any claim, demand, suit, action or proceeding, whether civil or criminal, or the defense thereof, and arising out of (a) any transaction of the Authority or of a subsidiary of the Authority, or (b) any act or failure to act by any such member, officer or employee while engaged in the discharge of his or her duties on behalf of the Authority or its subsidiaries, or the discharge of his or her duties as a fiduciary of a benefit plan for Authority employees or employees of a subsidiary of the Authority. In the event any such claim, demand, suit, action or proceeding shall occur, such member, officer or employee shall be saved harmless and indemnified as herein provided unless such individual is determined by the Authority or its designee not to have acted, in good faith, for a purpose which he or she reasonably believed to be in the best interests of the Authority or of its subsidiaries or affiliates, and, in criminal actions or proceedings, in addition, not to have had reasonable cause to believe that his or her conduct was lawful. The provisions of this Article shall inure only to the members, officers and employees of the Authority or of its subsidiaries, and to their estates, shall not enlarge or diminish the rights of any other party, and shall not impair, limit or modify the rights and obligations of any insurer under any policy of insurance. The foregoing shall be conditional on (a) the prompt delivery to the Authority of a copy of the summons, complaint, process, notice, demand or pleading commencing any such claim, demand, suit, action or proceeding; and, in civil cases only, (b) a contemporaneous offer to name counsel to the Authority as counsel to the member, officer or employee in

the defense of such claim, demand, suit, action or proceeding; (c) the full cooperation of the member, officer or employee, in the event the offer is accepted, in making of such defense; and (d) an agreement that the Authority may enter into a settlement on behalf of the member, officer or employee. If the Authority or its designee determines that the defense shall not be provided by counsel for the Authority because of a conflict of interests or other grounds warranting separate counsel, the member, officer or employee may select another attorney and the Authority shall pay reasonable attorney's fees and expenses incurred by or on behalf of such member, officer or employee represented by outside counsel. The Authority's payment of such fees and expenses may be conditioned upon the member, officer or employee's agreement that more than one member, officer or employee shall be represented by the same counsel. The provisions of Section 18 of the Public Officers Law relating to defense and indemnification shall supplement and be available in addition to the provisions of this Article; provided, however, that in the event of any conflict between the substantive provisions of this Article and those of Section 18 of the Public Officers Law, the provisions that afford the greater protection to such members, officers and employees shall control. In the event that the Board Chair or other member requests indemnification under this by-law, the counsel for the Authority shall review and act upon such request; provided that if upon review, the counsel believes that the facts and circumstances warrant denial of such request or raise serious question as to whether the requestor is entitled to indemnification under the by-law, such request shall be submitted to the board for determination. In the event that an officer or employee, other than the Board Chair, requests indemnification under this by-law, the counsel for the Authority shall review and act upon such request; provided that if upon review, the counsel believes that the facts and circumstances warrant denial of such request or raise serious question as to whether the requestor may be entitled to indemnification under the by-law, such request shall be submitted to the Board Chair or his or her designee for determination. The provisions of this Article replace and supersede the provisions of the prior Article VII governing Indemnification, and govern any claim, demand, suit, action or proceeding that is pending as of the date of the adoption of this Article.

In the event any such claim, demand, suit, action or proceeding shall occur, such member, officer or employee shall be saved harmless and indemnified as herein provided unless such individual is determined by the Company or its designee not to have acted, in good faith, for a purpose which he or she reasonably believed to be in the best interests of the Company or of its subsidiaries or affiliates, and, in criminal actions or proceedings, in addition, not to have had reasonable cause to believe that his or her conduct was lawful. In the event that the chairman or other member requests indemnification under this by-law, the counsel for the Authority shall review and act upon such request; provided that if upon review, the counsel believes that the facts and circumstances warrant denial of such request or raise serious question as to whether the requestor is entitled to indemnification under the by-law, such request shall be submitted to the board for determination. In the event that an officer or employee, other than the chairman, requests indemnification under this by-law, the counsel for the Authority shall review and act upon such request; provided that if upon review, the counsel believes that the facts and circumstances warrant denial of such request or raise serious question as to whether the requestor may be entitled to indemnification under the by-law, such request shall be submitted to the chairman or his or her designee for determination. ARTICLE VI. CORPORATE SEAL

The board shall provide a corporate seal which shall be circular in form and shall have inscribed thereon the name of the Company and the words "Corporate Seal".

ARTICLE VII. INDEMNIFICATION

The Company shall save harmless and indemnify any person (or his or her estate) who shall have served as a member, officer or employee of the Company or of a subsidiary of the Company against financial loss, including punitive damages, or litigation expense incurred in connection with any claim, demand, suit, action or proceeding, whether civil or criminal, or the defense thereof, and arising out of (a) any transaction of the Company or of a subsidiary of the Company, or (b) any act or failure to act by any such member, officer or employee while engaged in the discharge of his or her duties on behalf of the Company or its subsidiaries, or the discharge of his or her duties as a fiduciary of a benefit plan for Company employees or employees of a subsidiary of the Company. In the event any such claim, demand, suit, action or proceeding shall occur, such member, officer or employee shall be saved harmless and indemnified as herein provided unless such individual is determined by the Company or its designee not to have acted, in good faith, for a purpose which he or she reasonably believed to be in the best interests of the Company or of its subsidiaries or affiliates, and, in criminal actions or proceedings, in addition, not to have had reasonable cause to believe that his or her conduct was lawful. The provisions of this Article shall inure only to the members, officers and employees of the Company or of its subsidiaries, and to their estates, shall not enlarge or diminish the rights of any other party, and shall not impair, limit or modify the rights and obligations of any insurer under any policy of insurance. The foregoing shall be conditional on (a) the prompt delivery to the Company of a copy of the summons, complaint, process, notice, demand or pleading commencing any such claim, demand, suit, action or proceeding; and, in civil cases only, (b) a contemporaneous offer to name counsel to the Company as counsel to the member, officer or employee in the defense of such claim, demand, suit, action or proceeding; (c) the full cooperation of the member, officer or employee, in the event the offer is accepted, in making of such defense; and (d) an agreement that the Company may enter into a settlement on behalf of the member, officer or employee. If the Company or its designee determines that the defense shall not be provided by counsel for the Company because of a conflict of interests or other grounds warranting separate counsel, the member, officer or employee may select another attorney and the Company shall pay reasonable

attorney's fees and expenses incurred by or on behalf of such member, officer or employee represented by outside counsel. The Company's payment of such fees and expenses may be conditioned upon the member, officer or employee's agreement that more than one member, officer or employee shall be represented by the same counsel. The provisions of Section 18 of the Public Officers Law relating to defense and indemnification shall supplement and be available in addition to the provisions of this Article; provided, however, that in the event of any conflict between the substantive provisions of this Article and those of Section 18 of the Public Officers Law, the provisions that afford the greater protection to such members, officers and employees shall control. In the event that the chairman or other member requests indemnification under this by-law, the counsel for the Authority shall review and act upon such request; provided that if upon review, the counsel believes that the facts and circumstances warrant denial of such request or raise serious question as to whether the requestor is entitled to indemnification under the by-law, such request shall be submitted to the board for determination. In the event that an officer or employee, other than the chairman, requests indemnification under this by-law, the counsel for the Authority shall review and act upon such request; provided that if upon review, the counsel believes that the facts and circumstances warrant denial of such request or raise serious question as to whether the requestor may be entitled to indemnification under the by-law, such request shall be submitted to the chairman or his or her designee for determination. The provisions of this Article replace and supersede the provisions of the prior Article VII governing Indemnification, and govern any claim, demand, suit, action or proceeding that is pending as of the date of the adoption of this Article.

In the event any such claim, demand, suit, action or proceeding shall occur, such member, officer or employee shall be saved harmless and indemnified as herein provided unless such individual is determined by the Authority or its designee not to have acted, in good faith, for a purpose which he or she reasonably believed to be in the best interests of the Authority or of its subsidiaries or affiliates, and, in criminal actions or proceedings, in addition, not to have had reasonable cause to believe that his or her conduct was lawful. The provisions of this Article shall inure only to the members, officers and employees of the Authority or of its subsidiaries, and to their estates, shall not enlarge or diminish the rights of any other party, and shall not impair, limit or modify the rights and obligations of any insurer under any policy of insurance. expenses incurred by or on behalf of such member, officer or employee represented by outside counsel. The Authority's payment of such fees and expenses may be conditioned upon the member, officer or employee's agreement that more than one member, officer or employee shall be represented by the same counsel. In the event that the chairman or other member requests indemnification under this by-law, the counsel for the Authority shall review and act upon such request; provided that if upon review, the counsel believes that the facts and circumstances warrant denial of such request or raise serious question as to whether the requestor is entitled to indemnification under the by-law, such request shall be submitted to the board for determination. In the event that an officer or employee, other than the chairman, requests indemnification under this by-law, the counsel for the Authority shall review and act upon such request; provided that if upon review, the counsel believes that the facts and circumstances warrant denial of such request or raise serious question as to whether the requestor may be entitled to indemnification under the by-law, such request shall be submitted to the chairman or his or her designee for determination. The provisions of this Article replace and supersede the provisions of the prior Article VII governing Indemnification, and govern any claim, demand, suit, action or proceeding that is pending as of the date of the adoption of this Article.

THE METROPOLITAN TRANSPORTATION AUTHORITY

AUDIT COMMITTEE

This Charter for the Audit Committee was adopted by the Board Chair and a majority of the members of the Board of the Metropolitan Transportation Authority, a public benefit corporation established under the laws of the State of New York (together with any other entity or corporation for which the members of the Metropolitan Transportation Authority serve as a board of directors, the “MTA”), as amended on March 21, 2018.

I. PURPOSE

The Audit Committee (the “Committee”) shall assist and provide guidance to the Board Chair and the Board in monitoring and overseeing (a) the conduct of the MTA’s financial reporting process, the application of accounting principles, and the engagement of the MTA’s outside accountants; (b) the MTA’s internal controls and risk management systems; and (c) general matters relating to legal, regulatory and ethical compliance at the MTA (hereinafter referred to as the “Purpose”).

II. COMMITTEE AUTHORITY

The Committee’s role is one of oversight. In carrying out this oversight function, the chairperson of the Committee (the “Committee Chair”) and the vice-chairperson of the Committee (the “Committee Vice-Chair”) shall have additional responsibilities, as set forth in Section VI of this Charter. The Committee Chair and/or the Committee Vice-Chair regularly shall report to the entire Committee their findings with respect to these additional responsibilities and refer to the entire Committee for its consideration any matter relating thereto as the Committee Chair and/or the Committee Vice-Chair deem necessary or appropriate. MTA Audit Services’ and Corporate Compliance’s organizational independence is derived from their reporting structure as they report to the MTA Audit Committee and MTA Board Chair.

Notwithstanding these oversight responsibilities, the MTA and each of its subsidiary corporations and affiliates are responsible for preparing their own financial statements and the respective outside auditors are responsible for auditing the respective financial statements. The Committee, the Committee Chair, and the Committee Vice-Chair recognize that the Auditor General and the outside auditors have more time, knowledge and detailed information about the MTA and each of its subsidiary corporations and affiliates than do Committee members. Consequently, in carrying out its oversight responsibilities, no member of the Committee shall be deemed to provide (i) any expert or special assurance as to the financial statements of the MTA or of any subsidiary corporation or affiliate or (ii) any professional certification as to the work of any outside auditor.

In discharging its role, the Committee is empowered to investigate any matter brought to its attention. To facilitate any such investigation, the Committee Chairman and/or Vice Chairman shall have access to all books, records, facilities and staff of the MTA (including any of its subsidiary corporations or affiliates).

The foregoing is not intended to alter or curtail existing rights of individual board members to access books, records or staff in connection with the performance of their fiduciary duties as board members. With the prior approval of the Board Chair or a majority of the Board, the Committee may retain, compensate and/or terminate outside counsel, auditors or other experts as it deems necessary and will receive adequate funding from the MTA to engage such advisors in accordance with MTA procedures. A majority vote during a Board meeting at which a quorum is present shall constitute such approval by the Board.

III. COMMITTEE MEMBERSHIP

The Committee shall consist of at least 3 or more members of the Board, appointed by the Board Chair. If not otherwise a member of the Committee, each Vice-Chair of the Board shall be an ex officio member of the Committee. The Board Chair shall appoint the chairperson and vice chairperson of the Committee. In the absence of the chairperson at a meeting of the Committee, the vice chairperson shall chair such meeting. In the absence of the chairperson and the vice chairperson, the Board Chair shall appoint a temporary chairperson to chair such meeting. A member of the Committee may be removed, for cause or without cause, by the Board Chair.

At least one committee member shall have accounting or financial management expertise. No member of the Committee shall be employed by (a) the MTA, or (b) a private entity that does, or is likely to do, business with the MTA.

IV. COMMITTEE MEETINGS

The Committee shall meet on a regularly-scheduled basis at least 4 times per year, and more frequently as circumstances dictate. The Committee will cause to be kept adequate minutes of all its proceedings and records of any action taken and will report on its proceedings and any action taken to the next full meeting of the Board. Committee members will be furnished with copies of the minutes of each meeting. Meetings of the Committee shall be open to the public, and the Committee shall be governed by the rules regarding public meetings set forth in the applicable provisions of the Public Authorities Law and Article 7 of the Public Officers Law that relate to public notice, public speaking and the conduct of executive session. The Committee may form and assign responsibilities to subcommittees when appropriate.

The Committee may request that any member of the Board, the Auditor General, the Chief Compliance Officer, any officer or staff of the MTA, or any other persons whose advice and counsel are sought by the Committee, attend any meeting of the Committee to provide such pertinent information at the Committee requests. The Auditor General shall (1) furnish the Committee with all material information pertinent to matters appearing on the Committee agenda relating to the Purpose, (2) provide the chairperson of the Committee with all information regarding the Purpose that is material to the Committee's monitoring and oversight of the Purpose, and (3) inform the chairperson of the Committee of any matters not

already on the Committee agenda that should be added to the agenda in order for the Committee to be adequately monitoring and overseeing the Purpose.

V. COMMITTEE REPORTS

The chairperson of the Committee shall report on the Committee's proceedings, and any recommendations made.

VI. KEY RESPONSIBILITIES OF COMMITTEE CHAIR AND VICE-CHAIR

The following responsibilities are set forth as a guide. Purpose:

To obtain Board approval for revisions to certain existing policies of the MTA and its Agencies, in order to comply with Public Authorities Law Section 2824 ("PAL 2824").

Discussion:

PAL 2824 requires the MTA Board to, among other things, establish policies regarding travel, the payment of salary, compensation and reimbursements, and rules for the time and attendance of the chief executive and management. The MTA and its Agencies have existing policies addressing the above subject areas.

Because PAL 2824 requires formal Board adoption of rules for time and attendance policies, an exhibit book has been prepared that includes revisions to the All Agency Election Day Leave Policy.

These revisions to an existing policy, which has been approved by Senior Management, are being presented to the Board for its review and approval.

Recommendation:

It is recommended that the Board approve the revisions to the All Agency Election Day Leave Policy contained in the exhibit book.
